Big Book Type Stories

Rationale for the above order:

1. This presentation introduces some basic vocabulary associated with Easter time.
2. This presentation uses some nouns associated with Easter via the question 'Who has ... (eggs in a basket?)
3. This presentation gives a simple egg counting song with lots of repetition.
4. This presentation uses the Easter Bunny to develop the language of describing some features and saying what 'he' likes to be doing.
5. This presentation extends the vocabulary via a short story focussing on various aspects of what people do at Easter time.
6. This final presentation provides a short story using faith as the context.

By using the PPs in the recommended order, progression of language is inbuilt.
